Dear Parents and Students,

The Grossmont Union High School District offers Annual and Semester Bus Passes as well as Ride Coupons for students who meet transportation zone requirements.

If qualified, you may purchase an Annual Pass for \$300.00 or a Semester Pass for \$165.00. The Annual Pass is valid for round-trip transportation for all 180 school days. The Semester Pass is valid for round-trip transportation for only the Fall or Spring Semester, depending on which pass is purchased. These prices are discounted from the regular fare of \$1.00 per ride.

For those choosing not to take advantage of the bus pass, ticket books containing 40 one-way ride coupons are available for purchase. These are priced at \$40.00 per book.

The first step in purchasing either a bus pass or ride tickets is to apply. The most convenient and fastest way is to apply on-line. Simply go to your school's website and click on the '**Transportation**' or '**Bus Passes**' icon. This will access the Transportation website. Click on the Bus Pass Application link and complete the application. You will be able to apply for passes or tickets for up to 4 students residing at the same address on the application. **For returning students, please note: all students must re-apply each year.**

If you do not have access to a computer, you may complete a paper application and return it to your school's finance office. They will forward the information to us.

Once you have applied, you may purchase passes or tickets by one of three ways:

1. On the Transportation website, click on the '**Pay Now**' icon to purchase items using Visa or MasterCard.
2. Mail a check or money order to us at *GUHSD – Transportation, P. O. Box 1043, La Mesa, CA 91944.*
3. Come into our office between the hours of 8:00 am and 3:30 pm, Monday thru Friday, and pay in person. We are located in the rear of Grossmont High School, next to Harry Griffen Park.

Please note: Bus passes and ride tickets may only be purchased through the Transportation Department. Schools no longer sell these items

District Administrative Regulations have established a 3-mile walking distance to any school or bus stop. Applications will be reviewed to determine rider eligibility prior to issuance of a Bus Pass. If you have any questions, please contact the Transportation Department at (619) 644-8186.

Thank You,
Grossmont Transportation Department
